**BER declaration June 2010 ( EU commission Reg. 461/2010)**

Dear Sirs,

With reference to paragraphs 19 and 20 of the additional guidelines of EU Commission Regulation N° 461/2010 concerning the spare parts used in vehicles' maintenance and repair, we hereby certify that original FI products have the same quality of the components fitted in first equipment and are built in conformity with the technical specifications supplied by the vehicle manufacturers.

This declaration supersedes our previous statement concerning EU Regulation N° 1400/2002 expired on 31.05.2010.
